

Press kit withdrawn for revision

The July 2026 edition of this press kit is out of date and has been withdrawn. Later verification superseded several items in it, including the number of states tracked, the description of California SB 57, the description of state review of affiliate power purchases, and the statement that no federal bill was moving.

Current, verified material is maintained here:

markmcnees.com/press

markmcnees.com/press/data-center-tracker.html

markmcnees.com/press/faq.html

markmcnees.com/press/rubric.html

If you quoted or relied on the July edition, call 850.973.7687 or email mmcnees@fsu.edu and I will confirm the current wording.
